

# Activities at Tulliemet

Make the most of your stay on Atholl Estates

## Hill Tours

Hosted by one of our experienced guides, this tour is ideal for those looking to experience the best wildlife and scenery in Highland Perthshire. You will travel through moorland, private roads and tracks looking for wildlife. Our guide will not only show you what to look out for but also how to improve your chances of finding wildlife on your own. They will also be able to speak with you about the history of the area and landscape. The tour will take approximately 2.5 hours and includes a picnic lunch, there's a maximum 3 guests per tour.

## Introduction to Wildlife Photography

The Scottish Highlands are home to the red, fallow & roe deer population where they live in their natural habitat among the wild and rugged hills, mountains and woodland. The Tulliemet Moor introduction to wildlife photography is a vehicle tour that will show guests where to find wildlife, how to identify the species & capture the perfect photo. Hosted by an expert guide, it's a great experience for families.

## Fishing

Atholl Estates offers some of the most scenic fishing in Scotland. Anglers can enjoy salmon fishing on the River Tummel, Tilt and Garry or a more relaxing day on one of our hill lochs, catching wild brown trout on Loch Broom or stocked Rainbow and Brown trout on one of our Dunkeld lochs. Fishing can be booked through the Atholl Estates website: [www.atholl-estates.co.uk/activities/country-sports/fishing](http://www.atholl-estates.co.uk/activities/country-sports/fishing)

For more information on our additional services, including extra house-keeping, please enquire with the team: [stay@atholl-estates.co.uk](mailto:stay@atholl-estates.co.uk) or 01796 510088.
